FUTURE PICKS

● The bats are in the CVM belfry this month as we focus on Batman to tie in with the upcoming movie, *Batman Returns*. Our cover features the movie Catwoman (played by Michelle Pfeiffer) and the Penguin (portrayed by Danny DeVito). With it are the important first Silver Age appearances of these two villains: BATMAN #155 (the Penguin) and SUPERMAN'S GIRL FRIEND, LOIS LANE #70 (the Catwoman, and most likely the first Penguin/Catwoman team up). These two issues are rising in demand. For more Batnews, read this month's article. (Special thanks to DC Comics and Warner Brothers for our photos this issue.)

● From bats to power rings, Hal Jordan returns as Green Lantern in GREEN LANTERN #25. Does this leave Guy Gardner in a yellow dustbowl? Find out in GUY GARDNER: REBORN by Gerard Jones, Joe Staton and Joe Rubinstein as he faces the villainous Goldface, but not without our favorite headbashing, gutwrenching and boozeswilling alien from Czarnia, the main "fraggin'" man, Lobo. This occurs on the heels of the LOBO'S BACK mini-series. Should be lots fists a-flyin'.

● Other possibilities from DC include: the new JUSTICE SOCIETY OF AMERICA (in present day adventures, spinning off of ARMAGEDDON: INFERNO); THE HACKER FILES (connected to the DC universe); ANIMAL MAN #50; ARION THE IMMORTAL (revival in the style of SHADE); the long delayed STAR TREK: DEBT OF HONOR graphic novel.

● Meanwhile from Marvel, Spidey's 30th anniversary is coming up. To begin the celebration, SPECTACULAR SPIDER-MAN #189, WEB OF SPIDER-MAN #90, AMAZING SPIDER-MAN #364 and SPIDER-MAN #24 contain 4" x 5" holograms on their covers and bonus premium inside. Each of these comics contain a different version of Spidey's origin through the eye of the burglar, Aunt May and J. Jonah Jameson. (Watch for a CVM Spidey issue next month.)

● Other anniversaries from Marvel include: THOR #450 (Thor and Code Blue go to Asgard to find the real Thor) and AVENGERS #350 (guest starring Professor X, the Starjammers, Quicksilver, Val Cooper and Guido from X-Factor). Both books also contain classic reprints and gatefold covers.

● Kids, better tuck yourselves under the covers 'cause Marvel's Midnight Sons are rising. Beginning with GHOST RIDER #28 (by Howard Mackie, Andy Kubert and legend Joe Kubert), the saga crosses over into SPIRITS OF VENGEANCE #1 (starring Johnny Blaze and the current Ghost Rider), MORBIUS #1 (the Living Vampire is back!), DARKHOLD #1 and NIGHTSTALKERS #1 (featuring Blade, the Vampire Slayer) as the entire casts of characters face Lilith and her followers, the Lilin. The saga ends in GHOST RIDER #31. And also on the horror rim is TERROR INC., a supernatural mercenary written by HELLRAISER's Dan Chichester and drawn by PUNISHER's Jorge Zaffino. Speaking of HELLRAISER, the third movie adaptation reveals the true nature of Pinhead in Marvel/Epic's bookshelf format.

● Back to the "real" world, The Punisher and Captain America join forces in BLOOD & GLORY by Chichester and Klaus Janson as they take on a drug running operation that leads to corruption in the D.A.'s office. BLOOD & GLORY will have a glossy embossed cover.

● Finally from Marvel U.K. comes four new titles: WARHEADS #1 (guest starring Wolverine); MOTORMOUTH #1 (guest starring Nick Fury); HELL'S ANGEL #1 (guest starring the X-Men); and KNIGHTS OF PENDRAGON #1 (guest staring Iron Man). These books hop on the coattails of the successful DEATH'S HEAD II series.

● Another book from Britain (sort of) is the new JAMES BOND: SERPENT'S TOOTH mini-series from Dark Horse and Acme Press by Doug Moench and Paul Gulacy in which 007 has to locate a missing nuclear arsenal. Watch for appearances of dinosaurs and other strange phenomena, hopefully shaken, but not stirred.

● Dark Horse's movie related titles are going full "hoof" this summer as Robocop tackles the Terminator in a battle choreographed by Frank Miller and Walt Simonson. As well, watch for the ALIENS 3 and ROBOCOP 3 coming from the stable. Also added to the stew are ALIENS: NEWT, a new mini-series and ALIENS #0 reprinting the Aliens appearances in DARK HORSE PRESENTS. And other potential winners outside the "reel" realm include GRENDEL: WARCHILD by Matt Wagner and Patrick McEwon, and MARSHALL LAW: SUPER BABYLON, a one-shot by Pat Mills and Kevin O'Neill.

● On the C.S.S. (Comics Selling Ship) Valiant, two new titles will be introduced from the UNITY crossover: ARCHER & ARMSTRONG, covered last month and ETERNAL WARRIOR (whose first appearance was in the recent hard to find SOLAR #10) as the Valiant Universe expands further.

● In other news, ex-"X" artists Jim Lee and Marc Sylvestri have joined Rob Liefeld, Todd McFarlane and Erik Larsen in creating new titles for the Image Comics line. Lee has created a new supergroup to fit in the Image universe called WILDC.A.T.S while Sylvestri has created CYBERFORCE. However, patience is wearing thin on Liefeld's YOUNGBLOOD because of its delays to the shops. More on this as well as SPAWN and SAVAGE DRAGON from Image Comics next month in a special article.

● ZEN, INTERGALACTIC NINJA may be the next Teenage Mutant Ninja Turtles as an animated cartoon and a toy line wait in the wings with a movie set in the future. Archie Comics is currently producing the color comic. We'll update you on Zen's popularity and collectibility in the future.

● Other hot picks include: Eclipse's TECUMSAH by Tim Truman, METAPHYSIQUE by *Batman's* Norm Breyfogle, LOCO VS. PULVERINE (you gotta see it to believe it!); Viz's RANMA 1/2 (where boy meets girl or in this case, boy becomes girl); Fleetway's DREDD RULES #10 (with art by Simon Bisley); SERPENT RISING from Caliber; and DIMENSION X from Karl Art Publishing with art by Tom Yeates, John Ridgeway and Esteban Maroto.

● Next month, the new and improved COMICS VALUES MONTHLY premieres as we add 48 pages. More features, more comics listings and prices, and more future picks are coming your way. Stay on board the CVM express for the ride as we feature Spidey and the Image Comics lines.

C.V. MOVERS — REGIONAL REPORTS

Northeast

Rich Rankin
Comic Zone
Berlin, NJ

DC

Interest in the new LOBO series is high. Please, DC give us a regular Lobo monthly series. The *Superman* "Panic in the Sky" series sold extremely well. There seems to be interest in the upcoming Green Lantern titles. A word to the folks at DC - stop putting your effort into things such as Impact, and re-focus on your tried and true titles. There's some great stuff just waiting to be done. How about that long rumored Creeper series, or a Nightwing series? Isn't it time Dick Grayson got his own book?

MARVEL

CAGE was a big seller and sparked some interest in formerly dead back issues of POWER MAN/IRON FIST. Loved that HULK anniversary issue with the metallic green, cardstock cover. We sold out in two days. GHOST RIDER with the pop-up didn't sell as well as the HULK, but considering the cover price, it did well. WARLOCK continues to sell well, and we anticipate a lot of interest in the INFINITY WAR. Interest is waning in the new X-MEN and X-FORCE titles now that the fans' favorite artists are leaving. Sales are still great on these titles, but are down significantly from last years mega-sales.

INDEPENDENTS

YOUNGBLOOD seems to be the independent everyone is waiting for... and waiting, and waiting. All of the upcoming Malibu/Image titles have sparked a lot of interest, but we'll take a wait and see attitude. Valiant continues to put out the best, and most consistent, work of all the independent companies. SOLAR and X-O MANOWAR are in most demand. ARCHER AND ARMSTRONG looks like a winner. Acquiring the talents of Barry Windsor Smith was a major coup for Jim Shooter. Check out EAGLE and PSYCHO KILLERS.

DC

The first few months of 1992 have been uncharacteristically eventful. The 12 month market plan currently employed by most publishers is very sucessful for both them and us. There are now big books almost every month, instead of just in the summer. The fact that the new JLA, GUY GARDNER, LOBO, and GREEN LANTERN are coming can only help.

MARVEL

CAGE and NOMAD blew out of here in in big numbers. DEATH'S HEAD and PUNISHER WAR ZONE were even bigger. SILVER SABLE is heavily anticipated here, and cute tidbits like the green foil HULK and the pop-up GHOST RIDER are holding fan interest. X-titles are red hot, with or without the "Eight Defectors." Marvel is running strong, and the summer looks good (maybe an IRON FIST #1?). In back issues, eyes are on X-MEN #201, MARVEL PREMIERE #15, HERO FOR HIRE #1, CAPTAIN AMERICA #282, and AMAZING SPIDER-MAN #265.

INDEPENDENTS

We're still waiting on "the" book, YOUNGBLOOD. The new ALIENS and SPAWN should help sales.

Top Ten

1. X-Men
2. X-Force
3. Uncanny X-Men
4. Legends o/t Dark Knight
5. Sandman
6. X-Factor
7. Spider-Man
8. Hulk
9. War Zone
10. Cage

Bottom Five

1. Pirates of Dark Water
2. Captain Planet
3. Zorro
4. WCW
5. Super Pro

North Central

Chris Hallsman
Comic Book City
Madison, OH

DC

ELONGATED MAN was a flop. There's 10 to 1 against on the JUSTICE LEAGUE. SPECTRE sold well, but the response wasn't good. SANDMAN is tops. This summer DC will do well, because of the new movie. GREEN LANTERN:MOSAIC and ECLIPSO both look good. Anytime Lobo appears anywhere, it sells out.

MARVEL

There's nothing I'm really looking forward to from Marvel; not much seems to be happening. I think they have too many Wall St. boys spoiling the brew. PUNISHER WAR ZONE sold well. CAGE sold out its first issue, but only sold half of the second. X-FORCE has slipped a bit.

INDEPENDENTS

A lot of people are waiting for YOUNGBLOOD, especially Marvel fans. I'm a bit cautious because of the hype. Dark Horse and Valiant are doing just as well as last summer. People are looking forward to SPAWN. SOLAR #10 did well, it blew out quickly.

ADDITIONAL

The market isn't doing as well, because the economy is not so hot. A lot of people felt like they got burned on X-MEN #1 last year, with the multiple covers. People are getting a little sick of multiple covers, pop-ups, and gimmicks in general.

Top Ten

1. X-Men
2. Uncanny X-Men
3. X-Force
4. X-Factor
5. Punisher War Zone
6. Ghost Rider
7. Legends o/t dark Knight
8. Sandman
9. Hulk
10. Spider-Man

Bottom Five

1. Elongated Man
2. Swamp Thing
3. Hawkworld
4. Conan
5. The Thing(mini series)

C.V. MOVERS — REGIONAL REPORTS

South Central

LeRoy Young
Kwality Comics
Lawrence, KS

DC

SANDMAN continues to be the biggest draw to DC titles, followed by LEGENDS OF THE DARK KNIGHT and BATMAN. Lobo is still one of their best universal characters. It is too early to tell if the *Batman* movie will boost Batman titles. DC must think so, their 1992 line-up has enough "bats" in the titles. We're not sure if DC is getting ready for baseball, or if they just have confidence in their products. Many of the *BATMAN* titles sound very promising.

MARVEL

Marvel titles are still competing with each other for the top ten list. X-MEN, UNCANNY X-MEN and X-FORCE, along with X-FACTOR, are basically in a four way tie for #1. EXCALIBUR, GHOST RIDER, WARLOCK, WOLVERINE, and SPIDER-MAN are all doing quite well.

INDEPENDENTS

Dark Horse and Valiant still lead the independents. It looks like SOLAR, MAGNUS, X-O, RAI, SHADOWMAN, and the UNITY printings from Valiant are changing the way we look at independents. It looks as if some of the new titles from the Image line of Malibu, as well as YOUNGBLOOD, will sell at X-MEN levels. Dark Horse and Valiant should start looking over their shoulders at the competition.

Top Ten

1.X-Men
2.Uncanny X-Men
3.X-Force
4.X-Factor
5.Excalibur
6.Ghost Rider
7.Sandman
8.Legends o/t Dark Knight

2.Sleepwalker
3.Moon Knight
4.Ragman
5.WWF Wrestling

Northwest

Donald W. Riordan
Future Dreams
Portland, OR

DC

Matt Wagner's LEGEND OF THE DARK KNIGHT has been our top selling DC title. Back issues of LOBO are on the move, with the new series on the way. The GREEN LANTERN promotion has had no advance push on back issues. Many positive comments on NEW TITANS. Batman titles are steady and strong, but we expect less Bat-reaction to this summer's *Batman Returns* movie. The curious came and saw last time around; some stayed, some will return, but many will not. The new (?) look on the JUSTICE LEAGUE is worth checking out. THE RAY is a crowd pleaser, DC needs some more regular titles like this. SANDMAN is still strong.

MARVEL

The X-books continue on top. (X-MEN, UNCANNY X-MEN, X-FORCE, X-FACTOR, NEW MUTANTS, and EXCALIBUR). Interest in the INCREDIBLE HULK is picking up. Spider-Man titles and WOLVERINE are strong and steady. Strong sales throughout with the Operation Galactic Storm story line.

INDEPENDENTS

John Byrne's NEXT MEN on top here. *Alien* titles are strong, with just a slight softening. CEREBUS is still moving up. Valiant titles are all hot, and well worth the look.

ADDITIONAL

Overall back issues sale are still soft, and summer promotions will be grabbing money away from back issues as well. YOUNGBLOOD is late, causing expectations to rise, perhaps setting us all up for a disappointment. Will it be worth the wait?

Top Ten

1.X-Men
2.Uncanny X-Men
3.X-Force
4.Incredible Hulk
5.X-Factor
6.Legend o/t Dark Knight
7.Spider-Man
8.Excalibur
9.Galactic Storm series
10.Warlock and the Infinity Watch

Bottom Five

1.TMNT
2.DC Silver Age Classics
3.Punisher-Bloodlines
4.Web
5.Armageddon titles

Southwest

Dennis Schamp &
Ray Rappaport
The Comic Gallery
San Diego, CA.

DC

The mainstream titles have picked up out here - all 4 *Superman* titles, both Batbooks, and Green Lantern are enjoying increased interest. DEATHSTROKE and AQUAMAN (personal favorite) are selling wonderfully. SANDMAN continues to be quite popular. The remainder still have their steadfast followers, but DC's market share continues to be well below half.

MARVEL

After much discussion we decided that "dreck sells" in the Marvel universe. Poorly drawn and scripted books, such as X-FORCE, AVENGERS, and MARVEL COMICS PRESENTS, continue to do well. Well drawn and scripted books, such as X-FACTOR, WONDER MAN, and CAPTAIN AMERICA, sit on the shelves. A lot of local hype regarding GHOST RIDER #25 and the pop-out centerpiece - hope Marvel delivers on this one! This quarter's hit - NAMOR! We have sold through our last five issues, and the storyline is finally getting interesting. Hurrah to Mr. Byrne.

INDEPENDENTS

Valiant seems to have snuck in through the back door. Back issues are almost non-existent for HARBINGER and X-O, and the UNITY storyline is causing quite a stir. The Dark Horse movie tie-ins have slowed quite a bit. Some of our "older" readers are looking forward to Harvey publishing the Hanna-Barberra titles. On an unfortunate note, we are still stuck with a smut glut out here. Only OMAHA, CHERRY, and XENOPHILE have any sales.

ADDITIONAL

The Jim Lee X-MEN cards are here, and selling. Nice work! Introduce your comic readers to a series of books called WILD CARDS - they will thank you. Aloha to Kevin and Maxine in Hawaii.

Top Ten

1.Deathstroke the Terminator
2.X-Book Annuals
3.Aquaman
4.Galactic Storm titles
5.Amazing Spider-Man
6.Star Trek
7.Punisher War Zone
8.Any Peter David
9.Ghost Rider
10.The Flash

Bottom Five

1.Outlaws
2.The 'Nam
3.Rai
4.Twilight Zone
5.Green Hornet

C.V. MOVERS— REGIONAL REPORTS

Canada

Jim Bain
Wilkie's Wonderful World
Moncton, NB,
Canada

DC

This company has had some nice sales surprises this winter. The *Superman* storyline, "Panic in the Sky" sold very well, and advance orders for the four titles have stayed up, now that it's over. NEW TITANS sales are staying up, while SANDMAN and HELLBLAZER are strong in both new and back issue sales. The *Justice Leagues* have increased since the end of "Breakdowns." THE RAY is a terrific book, and selling well. BATMAN, of course, is DC's best selling title. Slow sellers are MY NAME IS CHAOS, SKULL AND BONES, and the entire Impact line. Hal Jordan, as the only Green Lantern in that book, will keep sales up.

MARVEL

Marvel's price increase does not seem to have harmed sales at all. I do wish that their readers would write to ask them for an explanation of why they did it. CAGE is a major disappointment in sales. PUNISHER WAR ZONE has done very well, just about doubling PUNISHER sales. The "Frank Turns Black" storyline was a major mistake, as sales fell 20% between the first and second parts. The *X-Men* annuals have done very well this year, with X-FACTOR about to exceed the regular book's sales. Jae Lee's work on NAMOR, and the UNCANNY X-MEN ANNUAL, was very well received. Perhaps a new major talent. DEATH'S HEAD II and NOMAD have both sold much better than their previous series.

INDEPENDENTS

The usual list of Dark Horse, ELFQUEST, and Anne Rice titles are the only titles doing well. DOC SAVAGE and CTHULU have small followings. ROBOTECH is still steady, when Eternity actually puts an edition out. Large sales drops have been noted for the Turtles and ROCK'N'ROLL COMICS, which really should hire some artists who can draw.

ADDITIONAL

DC card buyers please note: In the boxes delivered to our stores only the first five packs in each box have holograms. If your retailer is not shuffling the packs, you may not have a chance to get any holograms.

Top Ten

1. X-Men
2. Spider-Man
3. X-Force
4. Uncanny X-Men
5. Punisher War Zone
6. Amazing Spider-Man
7. Wolverine
8. Ghost Rider
9. Warlock and Infinity Watch
10. Aliens:Genocide

Bottom Five

Please send letters to:

Steve
C. V. Mail
15 Danbury Road
Ridgefield, CT 06877

Dear CVM,
Greetings and salutations! I have a question pertaining to your listings of *X-Force #1*. You have them listed as both "Bagged, white on black graphic" and "Bagged, black on white graphic." This, I understand. However, when looking back through my numerous issues of *X-Force* #1, I have come across about four issues which are bagged, but have a U.P.C. symbol (Universal Pricing Code) instead of the "50 Years of Captain America" Symbol. I was wondering if these were so worthless that they weren't worth mentioning in your fine magazine, or if I stumbled upon something worth keeping a hold of for a while.
Chris McCarty, Cincinnati, OH

Dear Chris,
I'm sorry to be the one to tell you this, but neither scenario is accurate. Good questions, though! It's something that every comic book collector ought to be aware of. When a comic shows up on your newsstand, it needs a U.P.C. code in the corner. When it is distributed directly to your comics specialty shop, it is delivered with a graphic device in place of the unnecessary code. Both variations are part of the same print run, ergo, there is no difference in price. Although some collectors may prefer one variation over another, both versions are equal in value.
If you look closely at our listings, you will notice that there is no price difference between the Black/White and White/Black versions. Originally, we thought there might have been more demand for one over the other, but that is not the case. We will be combining these versions in the future.
It has come to our attention, however, that certain dealers have adopted the practice of pricing the direct market versions higher than their newsstand brothers and sisters (no sexism here, no sir! ...er ma'am!...uh, no way! phew). Holy Price fixing!
With a few singular exceptions to the rule, there are no, I REPEAT, NO differences in the value of comic books due to their being newsstand or direct market copies. (Am I clear on this point?)
J.M.R.

Dear Steve,
Well, I must say that this is only the second time I have read your CVM magazine. Although I have been collecting comics for some years now, I haven't been able to get a hold of it while living in Wales, U.K. so I had to write to good old mom in native California to send me a copy.
Living in the U.K. has its advantages and disadvantages where comics are concerned. Some titles that are "hot" in the states may not be here and vise versa. The biggest disadvantage in the comic book shops are few and far between over here. If you live in London, it's no problem. But here in Wales, where the population is at 1.3 million, you have only two full-time stores and two shops only open Thursday through Saturday. Thanks, guys and gals,
Dean Soltis, Pyle, Mid-Glamorgan, South Wales, U.K.

Dear Dean,
Sorry we couldn't include your letter in its entirety, but space wouldn't permit it. We thought that it might be informative to our U.S. readers to have a little feedback regarding the state of the comic market abroad. Hey, U.K. retailers, how about feeding our comic-starved Welsh readers? We are sure that Marvel, DC and other publishers take note of reader requests, but we thought we would give your suggestion as an additional "nudge."
S.J. (Cymru supporter)

Dear Steve,
I hope you are still going to print the comic card values. I noticed they were not in issue #70. CVM is all I use for selling my comics & cards. Please keep the card prices!
Eric Hammond, Dalmar, DE

Dear Eric,
I'm proud to report that the card prices will be reappearing in issue #72, when CVM will be adding several new pages. We are sorry for any inconvenience this may have caused you and the hordes of others who have called and written their concerns over this issue. In the meanwhile, however, our sister magazine, *Collectible Toys & Values*, has at least ten pages of card values every month. In the meanwhile, pick up CT&V to keep up on current card trends! **J.M.R.**

Dear CVM,
I am writing because I have no idea when the first appearance of Bishop was. Could you help me?
David Martindale, Georgetown, TX

Dear David,
Sure I'll help you, but don't expect me to make a habit out of it. If you've been a reader of CVM (of course you have), then you've had the answer in your hands all along. I'll talk you through how to go about locating it. Bishop is hanging around with the X-Men, right? So, let's start there. Flip to the MARVEL section of your copy of CVM, locate *X-Men* and run your finger down the listing looking for I: (our shorthand for Introduction of...). In issue #142, you'll notice the title changes to *Uncanny X-Men*. That's O.K., keep going...Hmmm Freedom Force...ooh, Mr. Sinister...ah ha!! *Uncanny X-Men* #282. Hallo, what is this! The Hellfire Club appears as well, cool! Gotta get it - and soon, 'cause it's on the rise!! There you are, David, hope I've been helpful.
J.M.R.

To Whom it May Concern,
I have been buying Comics Values Monthly and I am very impressed, but there is one problem that I must note to you. *X-Factor* #71 is in a limited run of 10,000 copies signed by Larry Stroman, of which I have # 8,751. It is nowhere to be found. This is not a good thing that we buy these signed copies and cannot find a price guide in your magazine. I was wondering if it would be too much trouble for you to include these signed issues.
Eaves Landry, Opelousas, LA

Dear Eaves,
Boy, talk about opening a can of worms... Unfortunately, if we had to account for every autograph and signed edition, our publication would quadruple in size and quintuple in price. Your question, admittedly, has merit and I would love to handle it right here and now. We hope to include a feature article spotlighting the issue of signed copies in the near future. A system to guide our readers in terms of price of signed issues is currently in its planning stages. I know this all sounds like a lot of talking around the issue (it is really), but please be patient, we're on the case.
J.M.R.

Gentle Readers,
This is Jay M. Runningdeer (the M is for Mailreader) reporting to you from beneath a heap of reader mail. Steve, with the exception of one leftover piece of unpublished correspondence from last time, is taking a bit of a holiday from C.V.Mail in order that he may be tested for Limey's disease! (He's British, ya' know). He may be back next time to take up his post with the post, or I could be doing it evermore. What do you guys think? Please write in with your opinion on this important topic. 'Till next time.
J.M.R., C.V.M., U.S.A.

HOT/COLD-C.V. MOVERS
The following list was compiled from recent Hot/Cold "writer" lists received. (It is not a judgement on the talent of these creators, but reflects their popularity to our readers.)

HOT
1. Peter David
2. John Byrne
3. Jim Starlin
4. Chris Claremont
5. Fabian Nicieza
6. Howard Mackie
7. David Micheline
8. Frank Miller/Todd McFarlane
9. Larry Hama
10. Danny Fingeroth

COLD
1. Eric Larsen
2. Mike Gruenwald
3. Dwayne McDuffie/Scott Lobdell
4. Chuck Dixon
5. Rob Liefeld/Gerard Jones

Remember, we are still looking for several HOT/COLD Lists:
1. top Ten/Bottom Five ARTISTS
2. top Ten/Bottom Five WRITERS
3. top Ten/Bottom Five comic book HEROES
4. top Ten/Bottom Five comic book VILLAINS

Notes on using Comics Values Monthly

This publication is designed to guide comics collectors in the most current comics values. It is a tool, along with other fine publications, to assist collectors to enjoy the hobby.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50% of these values for major hot titles, and 30% or less for minor comics. These guidelines will vary from dealer to dealer and as to location

All characters represented in this issue are copyright by the publishers.

All comics prices listed in this guide are for Near Mint condition.

Condition of Comics

MINT – A perfect comic in every way.
NEAR MINT – A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.
VERY FINE – Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.
FINE – A worn cover but clean. Stress lines around staples and more rounded corners.
VERY GOOD – A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.
GOOD – A very worn comic with creases, minor tears, cover flaking apparent. No tape.
FAIR – Slightly damaged cover, badly rolled spine, cover flaking and possibly corners gone. Tears and tape are possible.

Copy of **MALLOY'S SPORTS COLLECTIBLES** Send $5.00 for one issue or $9.00 for two issues
(Price includes postage & handling, via First Class Mail, add $1 per issue overseas)

Or:
One Year Subscription (12 Issues): U.S. and Canada via First Class Mail $40.00 (U.S.)
Overseas via Air Mail $50.00 (U.S.)
U.S. Funds only

An Inside View of Your Purchase!

Dealers, collectors, fans and investors of all ages, interests and expertise will surely enjoy **Comics Values Annual**. The 544-page price guide follows the same easy to read format as the monthly magazine and includes listings from the Golden Age, Classics Illustrated, International and Underground comics: as well as more comprehensive coverage of DC, Marvel and Independent comics. Preceding each section, historical and informational introductions offer insight into the comic industry and hobby. For fans of the Golden Age or those wishing to learn more, Ron Goulart's article, *Concerning the Golden Age*, is an entertaining and informative read. Rising interest in foreign titles prompts the addition of an overview on British and Japanese manga (comics). Having difficulties finding a price on an old underground comix? **Comics Values Annual** provides the answer with over 75 titles and listings, and Jay Kennedy's article, *Underground Comix Collecting*, provides insight into the difficult underground market. Thorough listings of the Classics Illustrated are a must for any fan of literature or comics. An extensive grading guide is also provided for all those wishing to evaluate their collections true value. Annual regional and international reports from leading retailers furnish insightful analysis of the current comic industry.

"The Final Word in Comic Collecting"

Batman © *1992 DC Comics Inc*

IT WAS A DARK AND STORMY KNIGHT...AGAIN!

By Neil A. Hansen

BAM! POW! SOCK!

Watch out, Gotham City! With the upcoming *Batman Returns* film by Warner Brothers premiering in theaters across the nation on June 19, Batmania has returned. Micheal Keaton reprises his role as the Caped Crusader, and guest stars Danny DeVito and Michelle Pfeiffer debut as Batvillains Penguin and Catwoman.

Along with the excitement generated by *Batman Returns*, DC Comics has many new Batprojects in store ranging from a new continuing series to mini-series, prestige format one shots and graphic novels, not to mention a new television cartoon series waiting in the wings.

The first of DC's new titles is the ongoing monthly **Shadow of the Bat**, the first new series in Batman continuity connected to both **Batman** and **Detective Comics**. Issues #1 through #4, published bi-weekly, make up the multi-part "Last Arkham" story where Batman is imprisoned at Arkham Asylum, accused of murdering a policeman.

"Human characters in the DC universe will share center stage with Batman," said Denny O'Neil, current Batman group editor and longtime Batman writer, with possibilities like Green Arrow, The Question and Black Canary. "But we won't make it like the old **Brave & The Bold**. There are no rules as to length of story."

With script by Alan Grant and art by Norm Breyfogle, O'Neil wants to insure a unique look to **Shadow of the Bat**.

"The first year's covers by (Brian) Stelfreeze will look different from any other book," O'Neil said.

More directly tying in to the upcoming big budget film in June are three one-shot titles.

The adaptation of **Batman Returns** features the origins of both the Penguin and Catwoman. The movie itself features not only Keaton, DeVito and Pfeiffer, but also academy award winner Christopher Walken (*Biloxi Blues*) who's the real power behind Gotham City's shadowy throne; and Jan Hooks (*Saturday Night Live*) portrays Jen, a political "image counselor" brought in to assist with the Penguin's campaign as Mayor of Gotham City. Returning to the Batman movie saga are Micheal Gough as Alfred and Pat Hingle as Commissioner Gordon as well as director Tim Burton. The screenwriters for the movie are Daniel Waters (*Heathers*) and Wesley Strick (*Cape Fear*). The script is adapted for the comic book by O'Neil, and drawn by Steve Erwin from **Deathstroke: The Terminator** and Jose Luis Garcia Lopez from **Legends of the Dark Knight**. It will appear in both prestige and newsstand editions.

Coinciding with the movie, DC is also producing one-shots featuring the Penguin and Catwoman. **Catwoman Defiant** introduces a new villain named Mr. Handsome, a collector and destroyer of beauty. Handsome captures Catwoman and forces her to undergo psychological torture. She has to deal with this without Batman's aid. Peter Miligan from **Animal Man** writes while art is by Batveterans Tom Grindberg and Dick Giordano.

On the flapping front, the Penguin manipulates the stock market to his advantage in **Penguin Triumphant**, leasing Wayne Manor as his headquarters. The story is written by John Ostrander (**Suicide Squad**) and drawn by Joe Staton (**Green Lantern**) and Bob Smith (**Huntress**). Both the Catwoman and Penguin one-shots have covers by Brian Stelfreeze.

Night Cries, a Batman graphic novel by Archie Goodwin (**Iron Man**) and Scott Hampton (**Tapping the Vein**) deals with Batman and Commissioner Gordon hunting down a murderer of child abusers, and reveals some background on Gordon. It ships in August.

In September, Batman and Green Arrow battle Poison Ivy to save the Black Canary in **The Poison Tomorrow** by O'Neil, Mike Netzer (**Armageddon: The Alien Agenda**) and Joe Rubinstein (**Infinity Gauntlet**).

Even bigger in terms of Batman exposure this fall is the entry of the new animated *Batman* cartoon series produced and animated by Warner Brothers. O'Neil believes the 65 episode series will be well received by the fans.

"They found an approach that's dark and expressionistic to do limited animation," said O'Neil who likened the look of the show specifically to German expressionism. "They use blocks and shapes a lot."

The look of the animated Batman reminded O'Neil of influences by Steve Rude, Matt Wagner, Norm Breyfogle and Alex Toth.

Of course, where's Batman without Robin? Robin will also appear with new costume in about a third of the episodes.

Batman © 1992 DC Comics Inc.

"It will be Dick Grayson," O'Neil said, "who looks like Tim Drake. He'll be a college student at Hudson University."

(This is consistent historically with Robin. From the '70's to the '80's, Dick was a student at Hudson U. in the comics. He later quit college and the identity of Robin altogether. As **New Titans** fans know, he is now that super team's leader, Nightwing and was replaced as Robin first by the late Jason Todd, and then by Tim Drake.)

Other characters from the Batman mythos appearing are Commissioner Gordon, Alfred and Harvey Bullock. The classic Batvillains are also featured. Among them, Mark Hammill from *Star Wars* provides the voice of the Joker; Richard Moll from *Night Court* plays Two-Face; and Adrienne Barbeau from *Swamp Thing* is Catwoman.

"No other DC heroes will appear in the first 65 episodes," said O'Neil.

However, sometime this fall, "The Human Target is scheduled to come out as an ABC movie of the week," said Patti Jeres, DC marketing representative. The Human Target will be played by soap opera veteran/recording star Rick Springfield.

In the meantime, to coincide with the new cartoon, DC will publish a mini-series based on it. The first three issues are self contained, but have a connecting storyline with story by Kelley Puckett and art by Ty Templeton (**Justice League**). The last three issues using the same formula are written by Marty Pasko (story editor of the cartoon) and Brad Rayder(an artist for the cartoon as well).

"There won't be any loss of momentum between the movie and the cartoon series," O'Neil said.

The last major Batman project out in December reveals the origin of arch-foe Ra's Al Ghul in a graphic novel called **Birth of the Demon** written by O'Neil and painted by Breyfogle.

Concerning the myriad of titles Batman appears in, there have been complaints by readers that there is no continuity between all the books. O'Neil disagrees.

"We do have continuity," O'Neil said, "but it's not the same as the *Superman* books (which connect from week to week). We go to great lengths to insure continuity." O'Neil cites as an example the **Robin II** mini-series where Batman was out of the country and unable to help his younger partner.

"The hardest thing is to plan Batman with summit meetings," said O'Neil. "I work with guys who want more autonomy than that. But there is very detailed planning. When you go through a year, every event will fall into place and make sense."

Plans with the regular titles include Commissioner Gordon's future marriage to Sarah Essen in **Legends of the Dark Knight Annual** #3 this fall (to be heavily promoted throughout the media), Tim Drake's father as Bruce Wayne's neighbor, a new mayor for Gotham City and appearances by both Nightwing and Oracle (the former Batgirl). Also connected is a new six-issue *Robin* mini-series due in August.

But why has Batman lasted so long? Since O'Neil's began writing the character twenty years ago, he has seen a linear growth for the character as Batman became darker and grittier.

"Evolution is the right word," O'Neil said. "Back when I was writing it years ago, we had restrictions, both real and internal. The old stuff was lighter in tone. All the publishers had their own taboos in terms of what the audience wants. Characters have to evolve if they're to remain viable."

In retrospect, said O'Neil, "the animated guys are doing adaptations (of the old material) because of those restrictions." According to O'Neil, the people in Hollywood don't disdain comics because "guys out there respect it as an artform."

Robin © 1992 DC Comics Inc.

Catwoman (Michelle Pfeiffer) confronts Batman (Michael Keaton) atop a building in Gotham City. Batman Returns © 1992 DC Comics, Inc.

CVM'S Collectibles Corner Business Card Advertisements

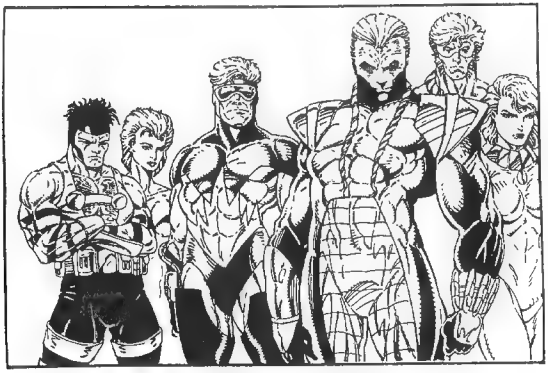
Business Cards Ads. One insert: $15; Three Consecutive inserts: $42; Six Consecutive inserts $79

FOR YOUR INFORMATION

MORE FOR THE SAME LOW PRICE

Bowing to reader request in regards to expansion, **Comics Values Monthly** will now be 132 informative pages each month, beginning with the next issue. The comic book listings will be increased, and easier to read. The Future Picks will also increase, providing even more hot tips and investment information. Every month **CVM** will include an additional feature article on the comic book industry for your reading pleasure.

Comics Values Monthly #72 spotlights thirty years of Peter Parker, the Spectacular Spider-Man, in an article that traces his origins and the Webbed Wonder's future. To kick off the second article, **CVM** reveals what's going on at Image Comics, the new comics imprint from Malibu boasting the talents of Todd McFarlane, Rob Leifeld and Erik Larsen.



BRIGADE © 1992, Rob Liefeld-Image

For further information, please contact Steve Thomas or Neil Hansen at (203) 438-9652.

Fans and comic collectors are not the only beneficiaries of **CVM**'s increase in pages. The additional pages provide advertisers added opportunities to promote their product, which increases sales. Only four additional pages will be devoted to advertising. Comic book store owners will also benefit with the addition of another Business Card Ad Page. Please make your reservations quickly, because there are only 12 spots available on the additional page. And the last addition will be Show Date advertising space provided at a minimal fee. For any additional information on any of the above topics, please call John Laub at (203) 438-9652.

WHOLE LOTTA STUFF GOIN' IN.

- OK, listen up. Previews is a catalog. It features a whole lotta stuff that you're going to want. New comics, graphic novels, trading cards, posters, t-shirts, games, and more. And you can order it all from your local comics shop by buying Previews and filling out an order form.

- But that's not all you get when you pick up Previews each month. You also get a whole lotta extra stuff– like free trading cards, hot Previews covers, and interviews with your favorite creators. You might even catch a sneak peak at a new comics title or two.

- Go to your local comics shop and ask for Previews. With a whole lotta stuff goin' in, you won't want to be left out.

PREVIEWS BUY USE ORDER FROM IT.

Retailers to find out more about Previews call Diamond Comic Distributors' Senior Account Rep Bill Neuhaus at (410) 298-2981.
